Address Line 2:	
*City:	
*Zip:	
*Country:	

Once you click submit, you will get a confirmation thank you:

Thank you for registering an account with Nuance University

You will shortly receive an email from Nuance University with your username and details of how to access Nuance University. For security reasons, we will not send you your password - you will need to remember this. If you forget your password, you can always reset it from the Login Page of Nuance University. If you cannot find your email within 30 minutes, please check your Spam folder on your email program to see if the email is there. Please keep this email in a safe place.

To access the Nuance University system immediately, click on the CLOSE button below. You will then need to login using your previously chosen username and password. If you have any questions relating to Nuance, please refer to the help information located [HERE](#), or please contact us via email at traininghelp@nuance.com

An email will be sent confirming your registration. Once you receive the email, you can log in using your email as your user name and the password you created during registration.

Log in and accept the license agreement.

Search the Learning Catalog for DMPE courses and select the appropriate one.
